

Happy Ohio Township Day!

Ohio Township Day

State law authorizes Ohio townships to operate under a basic form of government and perform a wide variety of functions. There are 1,308 townships in Ohio and they are varied in population size, annual operating budget, and range of services delivered to residents.

February 1

The Ohio Township Association logo is a shield-shaped emblem. It features a map of Ohio in the background with the letters "OTA" in a stylized font in the center. The words "OHIO TOWNSHIP ASSOCIATION" are written around the perimeter of the shield.

Coming in April....

Lake County will experience a Total Solar Eclipse on April 8, 2024.

The eclipse will enter Ohio near Greenville in Darke county and exit Ohio near Avon Lake in Lorain county.

Lake County will have several 'prime' viewing areas with the center line of the eclipse traversing Lake Erie approximately ten (10) miles due north of the eastern and western boundaries of the county and the center line of the eclipse approximately five (5) miles due north of Mentor.

The total eclipse in Lake County will begin at 3:12 pm, and end at 3:16 pm.

Newsletter is going (mostly) fully digital...

Going digital not only saves time and money, it also reduces waste.

Another benefit to the monthly newsletters is to provide residents with more current, and up to date news and information.

Our next print edition of the newsletter will hit mailboxes in the spring of 2024. This will be the last fully printed edition mailed to residents, unless you opt in to continue to receive the mailed version.

There will be a detachable portion of the next newsletter, allowing residents to sign up to receive future news through the mail.

Residents can also contact Town Hall directly, and ask to be added to the mailing list.

Additionally, all newsletters, digital and mailed, can be accessed on the *Township website* at any time!
